# About us

Welcome to Thygesen Textile Vietnam!

We are proud to be part of Thygesen Textile Group (Denmark) with quality in designing consultancy, manufacturing and delivering textile goods to the world market.

Learned from over 90 years of experience, we've gained a reputation in **OEM/ODM** manufacturing. Our ambition is to create innovative SOLUTIONS for all your brand's needs.

Our factories are equipped with automatic machines, functioning under the LEAN manufacturing system. The annual capacity for the first phase is 5,000,000 garments, and for the second phase is 10,000,000 garments.

To ensure high-quality standards, our quality management system adheres to ISO 9001:2015. Additionally, we have obtained prestigious certificates such as **SA8000, WRAP, GRS, FSC, OEKO-TEX® STeP** and more.

As you embark on this journey through our catalog, envision the possibilities that unfold with Thygesen. We invite you to explore our products, discover the excellence within, and join us in redefining standards in fashion industry.

# Active wear

Towards the innovation and expansion of product range and qualities, Thygesen Vietnam sportswear marked its debut in 2014.

Our continual research and development of **new technology** push advancements in fabric performance and garment construction to provide **high-functionality, breathability, and comfort** for all active items from base layer of leggings, sports bras, t-shirts, polo shirts, and hoodies to light outerwear in all seasons.

In recent years, we have also utilized **seamless technology** to redefine comfort in activewear. Our supply chain with modern machinery system can produce 170,000-250,000 pcs of seamless garments per month.

A photograph of two women running outdoors in a grassy field. The woman on the left is wearing a purple and pink long-sleeved athletic top and dark blue leggings. Her hair is blowing in the wind. The woman on the right is wearing a dark teal zip-up athletic jacket and a brown hijab. She is smiling and pointing towards the camera. The background shows a hazy landscape under a soft sky.
